## **TOTAL LEGS HSTL3**

With a design inspired by the graceful, natural motions of the human body, HumanSport offers a truly unique and human way of conditioning. HumanSport is so simple, so intuitive and so natural that it feels as if it were custom-built for each and every user. Six dual-function cable-based machines act as twelve workout stations by utilizing dual weight stacks to provide a wide range of total body training. When paired with the provided programming designed by our Master Trainers, HumanSport makes a powerful addition to any facility.
